UTSA ONLINE

UTSA is proud to offer fully online degree and certificate programs that provide a way for students to reach their educational goals without ever having to step foot on campus. UTSA Online (https://online.utsa.edu/) remains on a mission to serve our local and national community by offering the same quality degree programs as our residential campus.

Same degree. Same faculty. Same rigor.

These Online Programs should not be confused with other internet-based courses provided by the residential campus, which are traditional classes offered remotely but not through UTSA Online. Residential programs, including those that offer internet-based courses, are funded, priced, and supported differently than our 100% online programs.

Tuition, Fees, and Financial Aid Options

Whether our students are in-state or out-of-state, our 100% online students enjoy the same price per unit (https://online.utsa.edu/cost-aid/tuition-and-fees/), and students have numerous financial aid and payment options (https://online.utsa.edu/cost-aid/payment-options/) available.

*Note: Students who are enrolled **only** in a certificate program are not eligible to use financial aid or Veteran's benefits.*

Degree Requirements

Students enrolled in an online degree program will follow the same institutional requirements to complete a degree, as defined in this catalog.

Term Options

UTSA Online classes are offered in a mix of term lengths:

- **Fall/Spring Terms:** 8-week
- **Summer Terms:** 5-week, 8-week, and 10-week

Students may be able to choose any combination of class lengths based on availability and the number of credits being taken at any given time but must still adhere to the semester credit hour limits in the UTSA Student Policies (https://catalog.utsa.edu/policies/generalacademicregulations/registration/).

Available Online Graduate Programs

Klesse College of Engineering and Integrated Design

- Master of Science degree in Facility Management (http://catalog.utsa.edu/graduate/engineeringintegrateddesign/civilenvironengr-constructionmgt/#degreestext)
- Graduate Certificate in Facility Management (http://catalog.utsa.edu/graduate/engineeringintegrateddesign/civilenvironengr-constructionmgt/#certificatestext)
