

UNDERGRADUATE STUDENTS

Philosophy

Admission requirements for undergraduate study at UTSA are designed to facilitate the enrollment of well-prepared students. UTSA places a strong emphasis on preparing students to excel in a global economy. UTSA will consider all candidates for admission who meet our admission criteria and who are deemed admissible by direct admission or committee review.

Offers of admission are valid only for the semester indicated in the acceptance letter. Admitted students wishing to change the semester of initial enrollment must reapply as indicated in the "Admission Procedures (<http://catalog.utsa.edu/policies/admission/undergraduate/admissionprocedures/>)" section.

Undergraduate Classifications and Requirements

The criteria for the various classifications of undergraduate admission are set forth in each admission section.
