

VETERANS ASSISTANCE

Office of Veteran and Military Affairs

The Office of Veteran and Military Affairs (<http://provost.utsa.edu/veteran/>) strategically aligns all veteran and military connected entities under one department to provide oversight, easing the transition to higher education and enhancing the overall student success of the UTSA military affiliated community.

Center for Military Affiliated Students

Educational benefits are available to veterans, dependents of veterans, and personnel actively serving in the United States Armed Forces. The UTSA Veterans Certification Office provides the required forms and information regarding educational benefits available to eligible veterans and their dependents. The office is located at the Main Campus, JPL 1.01.14, 210-458-4540. Information is also available online at the Center for Military Affiliated Students website (<https://cmas.utsa.edu/>)

Students receiving veteran's assistance are responsible for understanding and meeting the academic standards of progress required of all Veterans Administration (VA) recipients. These standards are set by VA regulations and are monitored by the Texas Veterans Commission.

All students receiving GI Bill® educational benefits must send all post-secondary educational institution transcripts to the UTSA Office of Admissions for evaluation of prior credit. Current and former military members must send a copy of their military transcripts to the University before certification.

UTSA adheres to Title USC 3679 Compliance which allows students to attend or participate in VA approved programs of education, if a Chapter 31 or Chapter 33 student provides the school with a "VA Certificate of Eligibility".

The Hazlewood Act is a State of Texas benefit that provides qualified Veterans, spouses, and dependent children with a tuition exemption of up to 150 credit hours, including most fee charges, at public institutions of higher education in Texas. This does NOT include living expenses, books, or supply fees. There is no minimum course load required to use the Hazlewood Exemption.

The Hazlewood Exemption can be used in conjunction with financial aid (grants, loans, scholarships and work-study). Please note that this exemption must fit within your Cost of Attendance (COA) and your financial need. If financial aid is already disbursed or awarded at the time your Hazlewood exemption is approved, there may be adjustments to your financial aid (grants, loans, scholarships and work-study) to accommodate this exemption. Hazlewood documentation needs to be submitted every semester for which a student would like to have the exemption applied. If you would like more information on how to apply for Hazlewood, please visit the Veterans Certification Office website (<https://cmas.utsa.edu/>).

Early Registration

Military Veterans who served on active duty and are using Federal and/or state Education Benefits will have the ability to register for their courses early in the priority registration schedule in order to achieve timely program completion (see the online registration schedule (<https://onestop.utsa.edu/resources/calendar-pdfs/>)). Veterans must have self-

identified on their admissions application or be certified through the UTSA Veterans Certification Office to receive early registration status.
