

DEPARTMENT OF BICULTURAL-BILINGUAL STUDIES

The Department of Bicultural-Bilingual Studies offers courses that may be used to fulfill the Core Curriculum requirements or that may be taken as support courses for programs within the University or as electives. Courses in Bicultural-Bilingual Studies (BBL) offer students the opportunity to prepare for bilingual and/or second language teaching and give insights into bilingual and multicultural functions in society. In particular, students who complete certification in bilingual education are able to teach in a range of cutting-edge bilingual program models, including dual language one-way immersion and dual language two-way immersion programs. Courses in teaching English as a Second Language (ESL) offer students the opportunity to learn appropriate methods and strategies for teaching at the elementary, secondary, and adult levels. Courses are designed for students who plan to teach second languages but are also designed for those who intend to teach in other areas or to enter fields that rely heavily on an understanding of language learning and bilingualism. In addition, the Department offers minors in ESL and Bicultural Studies.

The Department of Bicultural-Bilingual Studies offers coursework required for teacher certification in the areas of bilingual education and ESL. Students seeking certification in these areas should complete requirements for the Bachelor of Arts (B.A.) degree in Equity and Education (see the Department of Interdisciplinary Learning and Teaching (<http://catalog.utsa.edu/undergraduate/educationhumandevlopment/interdisciplinarylearningteaching/>) section of this catalog), for either of the following:

1. Core Subjects with Science of Teaching Reading: Early Childhood-Grade 6 Bilingual Supplemental Certification Concentration
2. Core Subjects with Science of Teaching Reading: Early Childhood-Grade 6 with English as a Second Language Supplemental Certification Concentration
3. Middle Grades 4-8 English Language Arts/Reading/Social Studies with Science of Teaching Reading and Bilingual Supplemental Certification Concentration
4. Middle Grades 4-8 English Language Arts/Reading/Social Studies with Science of Teaching Reading and English as a Second Language Supplemental Certification Concentration
5. Middle Grades 4-8 Mathematics/Science Certification and Bilingual Supplemental Certification Concentration
6. Middle Grades 4-8 Mathematics/Science Certification and English as a Second Language Supplemental Certification Concentration

The B.A. in Equity and Education was first offered to those students admitted to the teacher certification program (<https://education.utsa.edu/programs/professional-preparation/certification-programs.html>) in Fall 2022. Students who were admitted to the teacher certification program before Fall 2022 can contact their advisor to determine if they can follow the new degree program.

We also offer coursework for a Supplementary Certification for Bicultural-Bilingual Education or ESL for those pursuing secondary or all-level certification.

Department Honors

The Department of Bicultural-Bilingual Studies awards Department Honors to certain outstanding students and provides the opportunity for advanced study under close faculty supervision.

Selection for honors designation is based on the student's academic performance and recommendation by the faculty of the student's major discipline. To be eligible for the program, students must have a minimum overall grade point average of 3.0 at UTSA and a minimum grade point average of 3.5 in their major at UTSA. The minimum grade point averages must be maintained for students to receive the approval of the Department Honors Committee and the discipline faculty. Students applying for Department Honors are expected to enroll in the appropriate honors thesis course during their final two semesters. The completed thesis must be approved by the supervising faculty sponsor and another departmental faculty member. Students interested in this program should contact their professors for additional information.

Criminal History Policy and Acknowledgement
